

E3000 Cash Drawer

A High Capacity Cash Drawer for Retail Verticals

The E3000 is a ruggedised cash drawer which is easy for the retailer to adopt as it has the same footprint as many of its competitors layflat solutions. The E3000 is suitable for use in many retail verticals including Food, C-Stores, QSR, Hospitality, Specialty, Pharmacy and Petrol Forecourts.

The E3000, with its ergonomic design and generously sized coin compartments, allows cashiers to give change faster, and with a weighable coin cup accessory kit, makes coin counting easy resulting in improved productivity.

Ergonomically Friendly

The ergonomic design with high capacity note & coin cup compartments helps cashiers to dispense change faster.

Insert Adaptability

The 8 coin, 5 note insert accepts Euros, Sterling, Canadian, Australian, New Zealand & Singapore dollars, Swedish Krona and South African Rand and is exchangeable with some common insert footprints. Other insert options are also available.

Additional Media Storage

Two 120mm (4.7 inches) wide media slots post under the insert into a generous 12mm deep storage area.

Cash Drawer Safety Tilt Feature

The E3000 has a safety anti-tilt feature, which comprises of a single M5 threaded insert in the base providing safe attachment to the counter by drilling a single hole and using an M5 bolt (which is not provided).

Heavy duty steel ball bearing runners and spring ejection is the key to durability, tested to one million cycles.
